

EARTH MOTHER INVOCATIONS

I am the Winged Rainbow Serpent who births the Heart of your indwelling power.

I am 'The One' who drives your fears away from your ONE HEART to witness the power of your Hearts Truth.

I am the power to create in you The ONE of Every Living Thing, in your cellular remembering.

I Strike; I Hiss and I Avenge your own fear of the very thing YOU are.

Fly on my Rainbow Wings to the outer reaches of the unseen Forces within and without.

Together we fight and create a sense of real understanding of what it is like to SELF LOVE.

Be in the Rainbow luminescence of my Form, as I help you shed your skins of illusion. Every Skin shed brings you closer to me; so you can be in the Form like me, Luminous; Free and ever changing like the Rainbow after a storm.

Your Rainbow Heart now shines in the Form of the Winged Rainbow Serpent.

This is you. This is me. We are the Luminous Rainbow Serpents entwined like mating lovers.

Birth your Luminous, Winged Rainbow Self, in the raw power of The Serpent.
